SUMMARY

Proactive Facilities Management graduate with hands-on site experience in building diagnostics, site inspections, and technical audits. Experienced in vendor coordination, estate checks, and occupant support through SCDF logistics deployments and site audit work. Recipient of the SCDF Wall of Fame (2023) for service excellence. Seeking an entry-level Facilities / Property Executive role to support day-to-day estate operations, contractor management, and site performance.

SKILLS

- **Core FM:** Site & Facility Readiness, Vendor & Contractor Coordination, Defect Inspection & Rectification, Occupant Service Delivery.
- **Technical & M&E:** Building Management Systems (BMS), Energy Data Analysis & Benchmarking, Chiller Plant / HVAC Diagnostics, AutoCAD.
- **General:** MS Office, Problem Solving, Stakeholder Communication.

EXPERIENCE

ASSISTANT ENERGY AUDITOR, 03/2026 - 01/2027

Building Systems & Diagnostics - Year long Internship

- Collaborated directly with facility teams and contractors to coordinate site surveys, troubleshoot issues, and oversee reinstatement works.
- Conducted site measurements and data collection for chiller plants, AHUs, PAHUs, and FCUs, including temperature, pressure, airflow, and electrical metrics.
- Analysed BMS data and metered outputs to evaluate HVAC system performance, energy consumption, and operational efficiency.
- Installed, retrieved, and validated field logging equipment including power meters, ultrasonic flow meters, and temperature sensors.
- Prepared and validated Excel-based datasets, calculations, and technical reports for energy audit and building performance projects.
- Supported MEI and EEOA-related assessments, including building energy benchmarking and tenant consumption analysis.

OPERATION LOGISTIC ASSISTANT - NATIONAL SERVICE, 02/2022 - 02/2024
Singapore Civil Defence Force

- Coordinated logistics, venue readiness, and facility setups for large-scale national events (NDP 2023, SCDF Workplan Seminar) and international delegate programs.
- Conducted routine site checks to maintain safety, cleanliness, and operational readiness standards across accommodation facilities.
- Supported dormitory preparations for international trainees and delegates, coordinating essential supplies, equipment, and room readiness prior to arrival.
- Liaised with external vendors and internal teams to streamline site setups and equipment deployment, ensuring adherence to service timelines.
- Managed asset inventory tracking, equipment allocation, deployment, and return.
- Awarded SCDF Wall of Fame (2023) for demonstrating exceptional customer-centric service, professionalism, and operational excellence.

EDUCATION

***Singapore Polytechnic**, Expected in 04/2027*
Diploma: **Facilities Management**

***Singapore Polytechnic**, 01/2021*
Diploma: **Electrical and Electronic Engineering**
Completed 5 semesters

***Regent Secondary School**, 01/2019*
GCE O-Level Certificate

ACCOMPLISHMENTS

- ABE Prize, Singapore Polytechnic, 2024/2025, awarded for outstanding academic performance in the School of Architecture and the Built Environment.
- Director's Honour Roll, Singapore Polytechnic, 2024/2025, recognized for achieving excellent academic results.
- Wall of Fame Award, Singapore Civil Defence Force, 2023, recognized for displaying customer-centric behavior, service excellence, and exceptional performance in logistics support operations.
- Singapore Young Leaders Programme 2025 – awarded Certificate of Achievement by MOE Singapore for engaging in collaborative problem-solving, strategic leadership workshops, and youth-led community engagement.
